Item 1.01. Entry into Material Definitive Agreement

On February 6, 2017, Shepherd's Finance, LLC (the "Registrant") entered into a Loan Purchase and Sale Agreement (the "Agreement") with Builder Finance, Inc. ("Builder Finance"), pursuant to which Builder Finance shall have the right, from time to time, to purchase from the Registrant senior priority interests in certain loans made to fund the vertical construction of one to four family residential dwellings ("Eligible Loans"). The Agreement is made effective as of August 1, 2016. Each Eligible Loan will be evidenced by notes secured by, among other things, mortgages or deeds of trust encumbering the respective construction properties.

Previously, the Registrant had entered into a separate Loan Purchase and Sale Agreement with 1st Financial Bank USA ("1st Financial") dated as of December 24, 2014, as amended (the "Original LPSA"). Builder Finance is a subsidiary of 1st Financial. The Agreement governs all Eligible Loans purchased from the Registrant on or after August 1, 2016, even those that would have been owned by 1st Financial pursuant to the Original LPSA. The Registrant, 1st Financial, and Builder Finance entered into a Confirmation Agreement dated as of February 6, 2017 which confirmed that all Eligible Loans purchased by 1st Financial from the Registrant prior to August 1, 2016 will continue to be governed by the terms of the Original LPSA, whereas those purchased on or after August 1, 2016 will be governed by the Agreement.

Subject to the terms and conditions of the Agreement, Builder Finance shall have the right from time to time to purchase from the Registrant a senior loan interest in each Eligible Loan which the Registrant agrees to sell to Builder Finance. The purchase price for each senior loan purchased by Builder Finance shall be expressed in a "Loan Notification" (as described in Section 2.1 of the Agreement) and, unless otherwise agreed by the parties, shall be an amount equal to the lesser of (i) an amount equal to (A) for each senior loan purchased by Builder Finance between August 1, 2016 and February 5, 2017, 60% of the Eligible Balance (as defined in Section 1.2 of the Agreement) at the time of the closing of sale of the senior loan interest in such Eligible Loan, or (B) for each senior loan purchased by Builder Finance on or after February 6, 2017, 70% of the Eligible balance at the time of the closing of sale of the senior loan interest in such Eligible Loan and (ii) the Senior Loan Amount (as defined below); provided that the purchase price shall not include any loan fee or portion thereof. Unless another amount is set forth in the Loan Notification, the Senior Loan Amount shall be equal to: (A) for all purchases made by Builder Finance between August 1, 2016 and February 5, 2017, the lowest of (i) 55% of the Registrant-approved appraised value of the property securing the loan, (ii) \$249,999.00, and (iii) 60% of the maximum principal amount of the Eligible Loan after deducting the loan fee; and (B) for all purchases made by Builder Finance on or after February 6, 2017, the lowest of (i) 59% of the Registrant-approved appraised value of the property securing the loan, (ii) (a) \$249,999.00 if Builder Finance is unable to obtain an appraisal in its name, or (b) \$350,000.00 if Builder Finance is able to obtain an appraisal in its name, and (iii) 70% of the maximum principal amount of the Eligible Loan after deducting the loan fee.

Except as otherwise expressly provided in the Agreement, interest on the Purchase Price and all advances shall accrue at a per annum interest rate equal to the greater of (i) 10% per annum, or (ii) the effective interest rate of the loan pursuant to the Loan Documents (as described in Section 1.2 of the Agreement), including any default interest rate interest payable to a borrower. Builder Finance's share of such interest shall be calculated based on the actual days funded by Builder Finance. All other amounts payable by a borrower in respect of the obligations under the loan shall be determined in accordance with the Loan Documents. The Registrant will generally be the servicer of the loan.

Pursuant to the procedures set forth in Sections 5.5 through 5.7 of the Agreement, the Registrant, upon written notice to Builder Finance, shall have the right at any time (the "Call Option") to repurchase from Builder Finance the transferred rights to any senior loan. The Call Option purchase price for each senior loan shall be an amount equal to the then outstanding principal amount of the senior loan held by Builder Finance plus accrued interest, provided that if the aggregate interest paid to Builder Finance in respect of such senior loan as of the repurchase date shall be less than 4% of the total commitment amount of Builder Finance in respect of such senior loan, then the purchase price shall be increased by an amount equal to such shortfall. Similarly, Builder Finance, upon written notice to the Registrant, shall have the right at any time (the "Put Option"), to elect to require the Registrant to repurchase the transferred rights pertaining to any senior loan, or any portion of a senior loan held by Builder Finance. The Put Option purchase price shall be an amount equal to the outstanding principal amount of the senior loan held by Builder Finance plus accrued interest, provided that the aggregate put prices payable in respect of all senior loans put to the Registrant during any trailing 12 month period ending on the date of the put notice shall never exceed the Put Option Limit, which is an amount equal to 10% of all fundings made by Builder Finance to the Registrant under the senior loans during such 12 month period.

The Registrant agrees that until the prior payment of all amounts due to Builder Finance in respect of the senior loan and the transferred rights: (a) all payments by the Registrant or Builder Finance from or on behalf of borrowers under or pursuant to the Loan Documents will be applied *first*, to the payment of any amounts due to Builder Finance in respect of the senior loan and the transferred rights, and *second*, to the payment of any amounts due to the Registrant in respect of the subordinated loan; (b) all payments received by the Registrant or Builder Finance in connection with the foreclosure upon or other realization on any loan collateral will be applied *first*, to the payment of any amounts due to Builder Finance in respect of the senior loan and the transferred rights, and *second*, to the payment of any amounts due to the Registrant in respect of the subordinated loan; and (c) the rights of the Registrant in and to the loan collateral or any security interests granted under Loan Documents shall be subordinated to any and all rights of Builder Finance in and to such collateral and interests.

Unless otherwise agreed to in writing by the parties, the Agreement shall terminate: (a) when the entire indebtedness due under the Loan Documents for all senior loans held by Builder Finance shall have been paid, and the Registrant has paid to Builder Finance all amounts due under the Agreement, and no new amounts become due thereunder within 30 days thereafter; or (b) when all senior loans and subordinate loans and the rights under the Agreement relating thereto are owned and held by one person, firm or corporation for its own account for a period exceeding 30 days.

The foregoing discussion is qualified in its entirety by the Agreement and the Confirmation Agreement, attached to this Current Report on Form 8-K as Exhibits 10.1 and 10.2, respectively.

ARTICLE 1

INCORPORATION OF RECITALS; DEFINITIONS

1.1 **Incorporation of Recitals.** The above recitals are incorporated herein by this reference as if they were set forth herein in their entirety.

1.2 **Definitions.**

As used in this Agreement, the following terms have the following respective meanings:

“**Accepted Servicing Practices**” shall mean a contractual (non-fiduciary) duty of Seller to Buyer to exercise the same degree of care that administrative agents customarily apply in administering Loans similar to the Eligible Loans, or that Seller would exercise if it owned one hundred percent (100%) of and were administering the Eligible Loans solely for Seller’s own account, whichever is higher; in each case with a view to the maximization of timely recovery of principal and interest on the Eligible Loans on a cost-effective basis, and without regard to conflicting interests; provided, however, that (i) prior to the Title Insurance Requirement Date, Seller shall not be required to purchase title insurance on any Eligible Loans and (ii) for all Eligible Loans with a Senior Loan Amount less than \$250,000, Buyer accepts Seller’s practice of allowing the Borrower to select the appraiser.

“**Advances(s)**” means any monies advanced or credit extended to a Borrower by Seller under the Loan Documents.

“**Affiliate**” of a specified Person means a Person that (at the time when the determination is to be made) directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the specified Person. As used in the foregoing sentence, the term “control” (including, with correlative meaning, the terms “controlling,” “controlled by” and “under common control with”) means the possession, directly or indirectly, of the power to vote 10% or more of the voting securities of any Person.

“**Aggregate Receipts**” means, for any specified period, the aggregate amount of all Receipts during such period.

“**Applicable Law**” means any order, law, statute, regulation, rule, ordinance, writ, injunction, directive, judgment, decree, principle of common law, constitution or treaty enacted, promulgated, issued, enforced or entered by any Governmental Authority applicable to the Parties, or any of their respective businesses, properties or assets.

“**Assumed Obligations**” means all obligations and liabilities of Seller with respect to, or in connection with, the Transferred Rights resulting from facts, events or circumstances arising or occurring on or after the Effective Date; excluding, however, the Retained Obligations.

“**Business Day**” means all days except (i) Saturdays and Sundays, and (ii) days which are observed by the federal or state governments or commercial banks as legal holidays.

“**Buyer Event of Default**” has the meaning given to such term in Section 9.1.

“**Default Interest Rate**” means, as to each Eligible Loan, the Interest Rate plus a margin of six percent (6%) (the “Seller Default Margin”). The Default Interest Rate is the rate at which interest shall accrue on the Senior Loans during the existence of a Seller Event of Default under this Agreement. For the avoidance of doubt, during any period of time when a Borrower is in default under the Loan Documents for a Senior Loan and therefore the Interest Rate applicable to such Senior Loan has been increased by the Default Rate Margin (as defined in the underlying Loan Documents) payable by the Borrower under the Loan Documents for such Senior Loan, then the Seller Default Margin shall not be applicable to such Senior Loan during such period of time.

“**Distribution**” means any payment or distribution of Receipts to Buyer pursuant to and in accordance with Section 5.8.

“**Effective Date**” means, with respect to this Agreement, August 1, 2016, and for each Eligible Loan, the date upon which each of the conditions set forth in Section 2.2 have been satisfied by Seller or otherwise waived in writing by Buyer.

“**Eligible Balance**” means, at any specific point in time for any Eligible Loan, an amount equal to (a) all Advances made by Seller to a Borrower pursuant to an Eligible Loan minus (b) the sum of (i) all accrued lender fees, (ii) all escrowed builder deposit amounts, (iii) all accrued or net funded builder deposit amounts, (iv) all accrued or net funded amounts for the payment of interest that are, as of yet, not earned, and (v) all other cash escrow amounts, including but not limited to, interest escrows funded by Borrower.

“**Governmental Authority**” means the United States of America, and any federal, national, state, provincial, local or similar government, governmental, regulatory or administrative authority, agency or commission, including any state insurance regulatory authority, or any court, tribunal, or judicial or arbitral body within the United States of America.

“**Guaranty**” means any guaranty of a Borrower’s obligations under a Loan.

“**Loan Collateral**” means any property, whether real or personal, tangible or intangible, of whatever kind and wherever located, whether now owned or hereafter acquired or created, which has been pledged, mortgaged, assigned or otherwise transferred by a Borrower to, or in or over which an encumbrance has been, or is purported to have been, granted to (or otherwise created) for the benefit of, Seller and/or Buyer under the Loan Documents.

“**Loan Documents**” means collectively the Note, Mortgage and all other agreements, instruments and documents executed and/or delivered in connection with an Eligible Loan, all as may be supplemented, restated, superseded, amended or replaced from time to time.

“**Major Decision**” means (i) the release of any Loan Collateral; (ii) the release of any party from any liability under the Loan; (iii) except as expressly set forth in the Loan Documents, the changing of the interest rate payable under the Loan; (iv) any amendment or modification of any of the Loan Documents, including without limitation, the changing of the maturity date or amount of the Loan; (v) the granting of consent to or acceptance of any cancellation or termination of any of the Loan Documents; (vi) the waiver of a material obligation of, or release of any material claim against, Borrower or any co-maker, guarantor or endorser of the Loan; (vii) the pursuit of any remedy upon a default under any of the Loan Documents; or (viii) acceptance of a deed in lieu of foreclosure.

“**Material Adverse Change**” means any event, occurrence or change in conditions of any nature which could materially and adversely affect the Loan, the Loan Collateral or Borrower’s or guarantor’s ability to perform its respective obligations under any Loan Document. In determining whether any individual event would result in a “Material Adverse Change”, notwithstanding that such event does not in and of itself have such an effect, a “Material Adverse Change” also shall be deemed to have occurred if the cumulative effect of such event and all other than occurring events, occurrences and changes in conditions would result in a “Material Adverse Change”.

“**Person**” means any individual, partnership (whether general or limited), corporation, joint stock company, limited liability company, trust (including a business or statutory trust), estate, association, custodian, nominee, joint venture or other entity, or a Governmental Authority.

“**Protective Advance**” means an advance made by Buyer or Seller to preserve or protect the Loan Collateral or Buyer’s and Seller’s interest therein upon a default by Borrower in its obligation to do so, including but not limited to payment of taxes, insurance premiums, and amounts to remove or prevent imposition of liens (other than the Mortgage) on the Property, and reasonable attorneys’ fees and court costs incurred in connection therewith. Without limiting the generality of the foregoing, any advance made to finish completion of renovations or construction of a Property, to fund a receivership estate relating to a Property, to fund operating shortfalls, or to fund capital improvements to a Property, shall be considered a Protective Advance.

“**Retained Obligations**” means all obligations and liabilities of Seller relating to the Transferred Rights that (i) as to each Eligible Loan, result from facts, events or circumstances arising or occurring prior to the Effective Date of such Eligible Loan, (ii) result from Seller’s breach of its representations, warranties, covenants, or agreements under this Agreement or the Loan Documents, (iii) result from Seller’s bad faith, gross negligence, or willful misconduct, or (iv) are attributed to Seller’s actions or obligations in any capacity under the Loan Documents.

“**Seller Event of Default**” has the meaning given to such term in Section 7.1.

ARTICLE 2

PURCHASE AND SALE OF ELIGIBLE LOANS; ADVANCES

2.1 Purchase and Sale.

(a) Subject to the terms and conditions of this Agreement, Buyer shall have the right from time to time to purchase from Seller a Senior Loan interest in each Eligible Loan which Seller agrees to sell to Buyer (or is required to sell to Buyer in accordance with the terms of this Agreement relating to the Exclusivity Period). Seller shall sell to Buyer a Senior Loan interest in each such offered Eligible Loan which Buyer elects to purchase in its sole discretion. Except as to Loans in existence prior to the date of this Agreement (which Loans may be presented by Seller to Buyer at any time), unless otherwise agreed to in writing by Buyer, Seller shall notify Buyer no later than fourteen (14) days after Seller has originated and closed a Loan transaction with a Borrower by notification in the form of Exhibit "A" annexed hereto (a "**Loan Notification**"). Each Loan Notification shall include copies of the documents set forth in Section 2 of the Loan Notification with respect to such Loan (the "**Due Diligence Documents**"). Each Loan Notification (i) shall constitute, as to each Eligible Loan as to which Seller elects to offer to sell a Senior Loan interest in, an offer for Buyer to purchase a Senior Loan interest therein, and (ii) shall set forth, among other things, the total Eligible Loan, the Eligible Balance, the Senior Loan Amount and the Senior Loan Percentage being offered to Buyer. The commencement of the 14-day requirement shall not be triggered by delivery by Seller to Buyer of a term sheet or other loan information concerning a Loan prior to closing of the Loan or by any preapproval of a Loan by Buyer.

(b) Buyer shall have seven (7) Business Days from receipt of a Loan Notification (the "**Due Diligence Period**") to complete its due diligence, to determine if a particular Loan qualifies as an Eligible Loan, and to determine whether Buyer shall purchase the applicable Senior Loan. If Buyer notifies Seller at any time during the Due Diligence Period that Buyer will purchase an applicable Senior Loan, the parties will proceed to a Closing of Buyer's purchase of such Senior Loan on the terms set forth in the Loan Notification and in accordance with the terms of this Agreement. From time to time upon written request by Seller, Buyer shall provide to Seller, as to Eligible Loans which have not yet closed, a preapproval in writing within seven (7) Business Days after receipt by Buyer of a term sheet or other information concerning an Eligible Loan.

(c) In the event of a conflict between the terms of a Loan Notification and this Agreement, the terms of the Loan Notification shall prevail, provided that this sentence shall not be interpreted to permit Seller to disregard the terms of this Agreement or to excuse a breach of this Agreement by Seller.

2.2 Purchase Price; Closing Conditions; Closing.

(a) The purchase price for each Senior Loan purchased by Buyer shall be expressed in the Loan Notification and, unless otherwise agreed by Seller and Buyer, shall be an amount (the "**Purchase Price**") equal to the lesser of (i) an amount equal to (A) for each Senior Loan purchased by Buyer between August 1, 2016 and February 5, 2017, sixty percent (60%) of the Eligible Balance at the time of the Closing of sale of the Senior Loan interest in such Eligible Loan, or (B) for each Senior Loan purchased by Buyer on or after February 6, 2017, seventy percent (70%) of the Eligible Balance at the time of the Closing of sale of the Senior Loan interest in such Eligible Loan and (ii) the Senior Loan Amount; provided that in no event shall the Purchase Price include any loan fee or portion thereof.

(b) Buyer shall pay the Purchase Price to Seller by cash or wire transfer of immediately available funds at each Closing, provided the following conditions have been satisfied by Seller (the "**Closing Conditions**"):

(i) Seller has been, and continues to, provide reporting to Buyer on its entire portfolio of Loans, which reporting shall be satisfactory to Buyer, in its sole and absolute discretion;

(ii) Seller has been, and continues to, provide specific and detailed reporting to Buyer on all Eligible Loans purchased by Buyer, which specifications and details shall be satisfactory to Buyer, in its sole and absolute discretion;

(iii) The Eligible Loan is performing in all respects at the time of the Closing;

(iv) All representations of Seller in this Agreement are accurate at the time of the Closing;

(v) Seller makes such additional representations to Buyer relating to the Eligible Loan as Buyer shall request;

(vi) Seller delivers the original Note duly endorsed to Buyer in a form approved by Buyer;

(vii) Seller delivers an original and duly executed assignment of Mortgage in customary form for the jurisdiction in which the Property is located and reasonably acceptable to Buyer, which assignment may be recorded against the Property by Buyer only in accordance with Section 7.2, Remedies;

(viii) Seller delivers to Buyer copies of all other Loan Documents relating to the Eligible Loan, and, after recording, the original recorded Mortgage (Buyer and Seller agree that a recorded mortgage may not be available for delivery to Buyer at the initial funding, but delivery thereof to Buyer shall be a condition precedent to all subsequent advances by Buyer in respect of that Loan);

(ix) Seller delivers proof satisfactory to Buyer that the Mortgage securing the Eligible Loan has been (or, if Buyer is purchasing a Senior Loan interest in such loan on the date of closing of such loan with the Borrower, satisfactory proof that the Mortgage will be) properly recorded in the applicable recording office in which the Property is located;

(x) Prior to the Title Insurance Requirement Date, Seller delivers to Buyer a copy of all title work related to the Eligible Loan and provides representations and warranties to Buyer to the effect that (1) Seller is performing title work consistent with its current procedures and policies, and (2) title to the Property securing such Loan is reasonably clear and defect-free.

(xi) On and after the Title Insurance Requirement Date, Seller shall deliver to Buyer a copy of all title work related to the Eligible Loan and upon receipt by Seller, a copy of the title insurance policy insuring such Eligible Loan.

(xii) Seller delivers to Buyer any contracts of sale, purchase agreements and leases relating to the Property; and

(xiii) Seller delivers to Buyer any other items or documents that Buyer may reasonably request in connection with the purchase of the Senior Loan.

(c) At the Closing, and in consideration of the payment of the Purchase Price and the mutual covenants and agreements contained herein, and subject to the terms and conditions of, this Agreement:

(i) Seller shall irrevocably sell, assign, transfer, grant and convey the Transferred Rights to Buyer;

(ii) Buyer shall acquire the Transferred Rights and agree to perform and comply with the Assumed Obligations; and

(iii) Seller shall remain responsible for, and shall assume and agree to perform and comply with the Retained Obligations. Buyer assumes no obligations other than the Assumed Obligations.

2.3 **Reserved.**

2.4 **Advances to Borrowers; Senior Loan Fundings.**

(a) Subject to the terms and conditions of this Agreement, each time during the term of an Eligible Loan that a Borrower requests an Advance from Seller under an Eligible Loan (the “**Advance Request**”), Seller shall fund such Advance from Seller’s own funds and provide Buyer with a written request (a “**Senior Loan Funding Request**”) for Buyer to reimburse Seller for a portion of such Advance in an amount equal to the Senior Loan Percentage of such Advance (each such reimbursement, a “**Senior Loan Funding**”). Each Senior Loan Funding Request shall include: (i) the amount of the Advance Funded by Seller; (ii) the amount of the requested Senior Loan Funding; (iii) electronic funds transfer instructions for the account of Seller to which Buyer is to remit the Senior Loan Funding; (iv) if requested by Buyer, a copy of Borrower’s draw notice, certifications and all other items required in connection with an Advance under the Loan Documents; (v) an inspection report confirming the status of construction and percent of work complete, if requested by Buyer; (vi) if requested by Buyer, evidence that Seller has funded the Advance to Borrower, (vii) evidence that all Closing Conditions have been satisfied, and (viii) such other items as may be reasonably requested by Buyer. Subject to the terms of this Agreement, Buyer shall, within three (3) Business Days of receipt of the Advance Request together with all of the foregoing items, reimburse Seller for a portion of the Advance in an amount equal to the Senior Loan Percentage of such Advance. Each Senior Loan Funding by Buyer shall be deemed the direct funding by Buyer to Borrower of the Senior Loan Percentage of the Advance in question.

(b) Notwithstanding anything to the contrary contained herein, Buyer shall not be obligated to reimburse Seller for Advances in respect of an Eligible Loan (i) in an amount which, when combined with all other Senior Loan Fundings in respect of such Eligible Loan, would exceed the Senior Loan Amount, (ii) if there has been a Material Adverse Change with respect to the Borrower, the Eligible Loan, the Loan Collateral or the Loan Documents, from the date of the Closing, (iii) if there has been, or currently exists, an Seller Event of Default by Seller under this Agreement, (iv) any default exists under the Loan Documents for such Eligible Loan or (v) any loan fee or portion thereof.

2.5 **Protective Advances.** Seller shall monitor and evaluate the need for Protective Advances and shall notify Buyer from time to time if Seller recommends that it is in the best interests of Seller and Buyer to make a Protective Advance in accordance with Accepted Servicing Practices. If Buyer agrees to make a Protective Advance recommended by Seller, Buyer shall remit the Senior Loan Percentage of the Protective Advance and Seller shall fund the balance. For purposes of this Section 2.5, such a Protective Advance shall be deemed to have been made concurrently by both Buyer and Seller on the date that both parties have funded their respective shares thereof, and shall constitute an Advance under the Eligible Loan. Protective Advances shall bear interest at the Interest Rate.

2.6 **Interest Rate.** Except as otherwise expressly provided herein, interest on the Purchase Price and all Advances shall accrue at the Interest Rate and shall be calculated as specified in the Loan Documents. Buyer’s share of such interest shall be calculated based on the actual days funded by Buyer. (h) Seller Compensation. Seller has not received any fee or other compensation except as permitted by applicable law and regulation, and that it has disclosed any fee or other compensation in writing to the Borrower and Buyer as required by applicable law and regulation.

ARTICLE 11

GENERAL PROVISIONS

11.1 **Modification.** Neither this Agreement nor any term hereof may be changed, waived, discharged or terminated orally, except by an instrument in writing signed by the parties hereto.

11.2 **Successors and Assigns.** This Agreement shall be binding upon the parties hereto and their respective successors and assigns; provided, however, that Seller may not transfer or assign any or all of its rights or obligations hereunder without the prior written consent of Buyer, and Buyer may not transfer or assign any or all of its rights or obligations hereunder to any person other than a Qualified Transferee without the prior written consent of Seller, which consent shall not be unreasonably withheld. In connection with any such transfer, assignment or sale or proposed transfer, assignment or sale, Buyer may furnish any information concerning this Agreement, the Loan or Seller to such actual or potential assignees or transferees provided that the actual or potential assignee or transferee agrees to keep all such information confidential.

11.3 **Captions.** Captions used in this Agreement are for ease of reference only and do not define or limit provisions.

11.4 **Severability.** The provisions of this Agreement are specifically agreed to be severable. If any part hereof is unenforceable, the remainder of the Agreement may be enforced as if such portion were not contained herein.

11.5 **Governing Law.** This Agreement shall be governed, interpreted and construed in accordance with the internal laws of the State of New York, without regard to any conflict of law provision thereof that would require the application of the laws of any other jurisdiction. Each of the parties hereto, to the extent permitted by law, knowingly, intentionally and voluntarily (i) submits to personal jurisdiction in the State of New York over any suit, action or proceeding by any person arising from or relating to this Agreement, (ii) agrees that any such action, suit or proceeding may be brought in any state or federal court of competent jurisdiction sitting in the State of New York, (iii) submits to the jurisdiction of such courts, (iv) to the fullest extent permitted by law, agrees that it will not bring any action, suit or proceeding in any other forum other than in the State of New York, and (v) agrees that the State of New York is the proper venue for any suit, action or proceeding by any person arising from or relating to the Agreement.

11.6 **Attorneys' Fees.** In the event suit is filed with respect to this Agreement, or any documents executed pursuant hereto, the prevailing party, in addition to all other sums which it may be entitled to, shall be entitled to recover its actual, reasonable attorneys' fees from the other party.

The time period in which a response of any such notice, demand or request must be given, however, shall commence to run from the date of receipt on the return receipt of the notice, demand or request by the addressee thereof. Rejection or other refusal to accept or the inability to deliver because of change of address of which no notice was given shall be deemed to be receipt of the note, demand or request sent. Such notice, demand or request shall be addressed as follows:

11.8 **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall be deemed to be one and the same instrument when each party has signed one such counterpart.

11.9 **Entire Agreement; Amendments.** This Agreement contains the entire agreement between the parties respecting the matters herein set forth and supersedes all prior agreements between the parties hereto respecting such matters. This Agreement may be amended by written agreement of amendment executed by both parties hereto, but not otherwise.

11.10. **Time of the Essence; Non-Business Days.** Subject to the next full sentence, time is of the essence of this Agreement. Whenever action must be taken (including the giving of notice or the delivery of documents) under this Agreement during a certain period of time or by a particular date that ends or occurs on a non-Business Day, then such period or date shall be extended until the immediately following Business Day.

11.11. **No Third Party Beneficiaries.** Nothing in this Agreement, expressed or implied, is intended to confer any rights or remedies upon any person, other than the parties hereto and, subject to any restrictions on assignment herein contained, their respective successors and assigns.

11.12 **Relationship Between Buyer and Seller.** The relationship between Seller and Buyer shall be that of seller and buyer. This Agreement shall not be construed to create a partnership or joint venture between Buyer and Seller. In no event shall the transactions contemplated by this Agreement be deemed or be construed, in whole or in part, as a loan from Buyer and Seller.

11.13 **Reserved.**

11.14 **Waivers.** Neither party shall be deemed to have waived any of its rights or remedies hereunder unless such waiver is (i) in writing, and (ii) signed by such party, and then only to the extent specifically recited. No failure to exercise and no delay or omission in exercising any right, remedy or recourse on the right of any party shall operate or be deemed as a waiver of such right, remedy or recourse hereunder or thereunder or preclude any other or further exercise thereof. A waiver or release on any one occasion shall not be construed as continuing, as a bar to, or as a waiver or release of any subsequent right, remedy or recourse on any subsequent occasion.

11.15 **Dispute Resolution.** Any controversy regarding any provision of this Agreement, any Exhibit, or addendum hereto, shall be submitted to binding arbitration in accordance with the then existing rules of the American Arbitration Association of JAMS, Inc. Any award made by the arbitrator(s) may be enforced as a final judgment in any court of competent jurisdiction. The site for any such arbitration shall be New York, New York. The arbitration shall be heard before an arbitrator mutually agreeable to by the parties; provided, that if the parties cannot agree on the choice of arbitrator within ten (10) days after the first party seeking arbitration has given written notice, then the arbitration shall be heard by three (3) arbitrators, one (1) chosen by each party, and the third chosen by those two (2) arbitrators. The arbitrators will be selected from a panel of persons having experience with and knowledge of the mortgage lending industry and at least one (1) of the arbitrators selected will be an attorney. Each party shall bear its own attorneys' fees, expert witness fees and costs in connection with such arbitration. A party shall be determined by the arbitrator to be the prevailing party if its proposal for the resolution of the dispute is the closer to that adopted by the arbitrator.

11.16 **True Sale; Not a Loan or Pledge.** The purchase and sale of the Transferred Rights are intended to be a sale by Seller and a purchase by Buyer of the Senior Loans. From and after the date hereof, Buyer and Seller shall own beneficially their respective Senior Loan Percentage and Subordinate Loan Percentage in the Eligible Loan and the Loan Documents. This Agreement shall not be deemed to represent a loan by Buyer to Seller, or a pledge by either party to the other party. In the event, however, that any court of competent jurisdiction or binding arbitration were to hold that any transaction made pursuant hereto constitutes a loan and not a purchase and sale, it is the intention of the parties hereto that this Agreement shall constitute a security agreement under applicable law and that the Assignments of Mortgage and Endorsed Promissory Notes held by Buyer are security for the loan.

11.17 **Undivided Interest in Loan Documents and Loan Collateral.** Buyer and Seller shall each have an undivided interest in the Loan Documents and in any property taken as security for each Eligible Loan, and if any such property or the proceeds thereof shall be applied in reduction of the principal balance of the Eligible Loan, then each party shall be entitled to receive its pro rata share of such application in accordance with the terms of this Agreement (giving due consideration to the priority of distributions provided for herein). The parties acknowledge and agree that the Loan represents a single "claim" under Section 101 of the Bankruptcy Code, and that neither party shall be a separate creditor of Borrower under the Bankruptcy Code.

11.18 **Notes are Not Securities.** No Note shall be deemed to be a security within the meaning of the Securities Act of 1933 or the Securities Exchange Act of 1934.

11.19 **Confidentiality.** In no event shall either party to this Agreement issue any press release to any media of general circulation regarding this Agreement or the transactions contemplated hereby or otherwise disclose any Confidential Information; provided, however, that nothing herein shall be deemed to limit or impair in any way any party's ability to disclose the details of the transaction contemplated hereby to its legal and financial advisors or as may be necessary pursuant to any court or governmental order or applicable law or in litigation. Notwithstanding the foregoing, no party hereunder shall have any liability by reason of the details of the transaction contemplated hereby becoming known by means beyond the reasonable control of such party. The term "**Confidential Information**" shall mean this Agreement and all proprietary information, data, trade secrets, business information and other information of any kind whatsoever that a party discloses, in writing, digitally, orally or visually, to the other party or to which is obtained in connection the negotiation and performance of this Agreement.
